TO: Scott Cooper, U.S. EPA Region 5, TSCA
FROM: Dannielle ^{ow}Weems, Ohio EPA, PCB Enforcement Coordinator
SUBJECT: GHR Foundry/John Paul Enterprises, Inc. Concurrence
DATE: November 3, 1994

Enclosed please find hardcopy and floppy disc drafts of the GHR Foundry/John Paul Enterprises, Inc. concurrence requests.

I did not apply the five year statute of limitations to this concurrence request because the facility still had the PCB equipment at the time of inspection and, therefore, was required to retain records. Please let me know if you make any changes or if you would like me to make any changes.
